

Surya Photography — Website User Manual

A practical guide for studio staff and customers on using the public website and Studio Control Panel. Everything you need to browse, manage, and grow — all in one place.

OVERVIEW

Two Parts, One Platform

Public Website

For customers. Browse the studio's work, explore photography categories, read testimonials, and get in touch.

Studio Control Panel

For staff. Manage portfolio photos, track inquiries, handle bookings, and update studio information.

PUBLIC WEBSITE

Exploring the Public Website

Home

Featured slideshow, latest works, and customer testimonials.

Portfolio

Browse categories — Wedding, Baby Shower, Outdoor, and more.

About

Studio story, founder info, and key statistics.

Contact

WhatsApp, phone, address, and map.

Mobile tip: Tap the ☰ icon in the top right to open the menu.

Accessing the Control Panel

Two Ways to Log In

Enter your email and password, then click **Sign In**. If login fails, double-check Caps Lock and contact the administrator.

Direct Link

Open the login page directly in your browser.

Hidden Shortcut

Scroll to the footer and tap "© Surya Photography" **5 times** to open the login page.

Navigating the Dashboard

Dashboard at a Glance

The Dashboard gives a quick overview of studio activity — upcoming functions, new inquiries, pending albums, video edits, and deliveries.

On desktop: Menu on the left

On mobile: Menu at the bottom

Click **Logout** at the bottom of the menu when done

INQUIRIES

Managing Customer Inquiries

1

Pending

New lead received — awaiting response

2

Spoken

Conversation completed with customer

3

Converted

Inquiry confirmed as a booking

4

Cancelled

Customer decided not to proceed

Important: Deleting an inquiry removes it permanently. Only delete if you are certain.

Managing Bookings

Adding a Booking

1. Click **Add Booking**
2. Enter client name, phone, occasion, and event dates
3. Add total amount and advance received (optional)
4. Select services booked and complimentary gifts
5. Click **Save This Celebration**

Updating Progress

Overall Status

Completed

Album & Video

Track editing and
delivery progress

Click **Details** to view services, complimentary items, and notes.

Portfolio & Studio Settings

Portfolio

Select a category, click **Upload Media**, and choose files. Videos (MP4, MOV) and images (JPG, PNG) are sorted automatically. Deletion is permanent.

Studio Settings

Update your logo (PNG only), owner portrait, testimonials, counters, and contact details. Click **Save all changes** after editing.

Stay proactive, not reactive — build strong problem-solving skills every IT professional ne

TROUBLESHOOTING

Common Issues & Quick Fixes

Website Not Loading

Check your internet, refresh the page, clear your cache, or try a different browser.

Redirected to Login

Your session expired for security. Log in again and remember to log out properly.

Uploads Not Showing

Refresh the page, confirm the correct category, and wait — large files take time to process.

Media Not on Public Site

Verify the media is in the correct category and that the category is active.

Working Smart & Staying Secure

Security

Never share credentials. Always log out. Use a strong password and change it immediately if compromised.

Data Management

Keep regular backups. Double-check client details before confirming. Update statuses promptly.

Portfolio Care

Upload high-quality images. Organise by category. Keep your portfolio fresh with recent work.
